Lincoln Heights Outreach Enrichment Program (LHOEP) is a year-around program for students K-5 in the Lincoln Heights, Lockland, Woodlawn, and surrounding areas. The mission of the program is to support academic achievement, encourage character development and expose students to STEAM. Please come join us to learn more about LHOEP. We will be talking about the program, who is eligible to attend, program goals and visions, and more details about LHOEP. You will have an opportunity to ask questions, share your ideas and provide feedbacks.
