Dear Lincoln Heights Residents and Businesses:

Effective October 1, 2022, the Regional Income Tax Agency (RITA) will begin collecting municipal income tax for the Village of Lincoln Heights. Formed in 1971 through the Regional Council of Governments, RITA is a governmental agency established under Chapter 167 of the Ohio Revised Code. RITA provides income tax collection and processing services for more than 350 of Ohio's municipalities and is the largest municipal income tax collection agency in the state. RITA's shared services offer municipalities a comprehensive, efficient and effective solution to income tax collection that results in cost savings and increased tax collections. The Village of Lincoln Heights chose RITA for its ability to offer residents and businesses free online services and its ability to maximize the Village's tax collection efforts. RITA will be responsible for the administration and collection of all income taxes and will serve the Village of Lincoln Heights in this capacity.

After October 1, 2022, all Lincoln Heights' tax payments and tax forms, for **current and prior tax years**, are to be sent to RITA. We encourage you to utilize RITA's free and simple online services, FastFile and MyAccount. Beginning October 1, 2022, residents will have limited access to electronic services. During this time, residents will only have access to RITA's FastFile – no login, user ID or password is needed. Beginning November 1, 2022, residents and businesses will have complete access to RITA's MyAccount applications. Visit ritaohio.com to access FastFile, MyAccount and tax forms.

For those wishing to utilize mail, the remittance address for our secured lockbox center is:
